

## Health Sciences

Leadership and Management  
Nephrology    Genetics (clinical)    Dentistry (all)    Obstetrics and Gynaecology  
Medical Laboratory Technology  
Infectious Diseases    **Medicine (all)**    Gerontology  
Emergency  
Emergency Training  
Anatomy  
Physiology  
Pharmacology  
Physiology  
veterinary (all)    Surgery    Internal Medicine  
Nursing (all)  
Oral Surgery  
Gastroenterology    **Oncology**    Hematology  
Rehabilitation  
Cardiology and Cardiovascular Medicine    Urology  
Health Information Management    Family Practice    Complementary and alternative medicine    Histology  
Immunology and Allergy    Psychiatry and Mental health

## Life Sciences

Neuroscience (miscellaneous)  
Cellular and Molecular Neuroscience    Biological Psychiatry  
Animal Science and Zoology  
Horticulture  
Virology    Immunology    **Genetics**  
Endocrine and Autonomic Systems  
Forestry    Soil Science  
Insect Science    **Cancer Research**    Biophysics  
Parasitology    Ageing  
**Neuroscience (all)**    Molecular Biology  
Structural Biology  
Pharmacology, Toxicology and Pharmaceuticals (all)    Sensory Systems

## Physical Sciences

Energy Studies  
Oceanography    Physics and Astronomy (miscellaneous)  
Energy (all)  
Geology    **Physics and Astronomy (all)**  
Software  
**Nuclear and High Energy Physics**  
**Chemistry (all)**    Ecology    Instrumentation  
Chemical Engineering (all)  
Atmospheric Science  
Condensed Matter Physics    Atmospheric Science

## Social Sciences

Development and Library Theory  
Archaeology    Public Administration    Linguistics and Language    History and Philosophy of Science  
Accounting  
Archaeology    Workdays  
Music  
Finance  
Development    **Clinical Psychology**  
Marketing    Law    **Psychology (all)**    Psychology (miscellaneous)  
Communication    History    Philosophy  
Urban Studies    Social Sciences (all)  
Management Information Systems    Business, Management and Accounting (miscellaneous)  
Health (social science)    Education    Safety Research  
Arts and Humanities (miscellaneous)    Economics and Econometrics
